Declaration of Conformity

The manufacturer, G&G GmbH, hereby declares under its sole responsibility that the article in question complies with the following guidelines.

Item: Stainless steel contact surface 300 mm * 220 mm

The object described above fulfils the respective valid version:

The legal provisions of the Consumer Goods Ordinance, Regulation (EC) No. 1935/2004, in particular Art. 3, Art. 11 para. 5, Art. 15 and Art. 17, as well as Regulation (EC) No. 2023/2006

Description (material/optics)/ analogue article:

Stainless steel 1.4301 / AISI 304

When used as intended, the transfer of substances is below the specific release limits (SRL) according to the Council of Europe guideline for metals and alloys (Council of Europe Resolution CM/Res (2013) 9 on metals and alloys used in food contact materials and articles, status: 2013 - 1st Edition). The test is carried out according to the specifications of the "Technical guide on metals and alloys used in food contact materials and articles".

Intended use specification or restrictions:

Type(s) of foodstuff(s) intended to come in contact with the material:

All types of food (aqueous, acidic, fatty)

Intended duration and temperature of treatment and storage in contact with the food:

Repeated contact, below 100°C

Ratio of the surface area in contact with food to the volume used to determine the conformity of the material or article with the Guideline for Metals and Alloys:

This confirmation applies to the article supplied by us as described. The article fulfils the legal requirements for the specified foodstuffs if the specified food contact conditions are observed. The user must satisfy himself as to the suitability of the product for the intended food in excess of the specifications.

The validity of the declaration expires in the event of changes to the legal requirements and the cited assessment bases.
